### **Fatal Accident Victim Identified**

The Wichita Police Department (WPD) has identified the victim of Sunday's fatal accident as 24-year-old Erik Luna of Wichita.

At approximately 1:46 a.m. on April 14, officers were dispatched to an injury accident at E. 31<sup>st</sup> Street and S. Broadway Avenue. Upon arrival, officers found a silver Mitsubishi Eclipse overturned with two occupants trapped inside.

The investigation revealed that Luna was traveling south on Broadway along with a 20-year-old passenger. Luna lost control of the vehicle in the 3500 block of S. Broadway, which then struck a bridge concrete barrier and overturned.

Luna was pronounced dead on scene. The passenger was transported to an area hospital where he remains with serious injuries.

No other vehicles were involved in this accident. The preliminary investigation shows that speed and alcohol were both factors.

This case remains under investigation.

The case number is 19C022464.
